IT NEWS EXPLAINED

Exchange Online API Deadline is November 30

Critical update for IT administrators

Suneel Kumar

What Happened

Microsoft updated Exchange Online API permission requirements

Legacy access methods are being retired

Why It Matters to Admins

Unconfigured apps will lose access to Exchange

Automation scripts and management tools may fail

Suneel Kumar

Who Is Affected

Organizations using custom apps with Exchange scopes

Admins managing tenant automation and integrations

Suneel Kumar

STEP 1

Review App Registrations

Log in to the Azure portal

Navigate to app registrations and check current permissions

Suneel Kumar

STEP 2

Configure New Permissions

Add the required Exchange Online Admin API permissions

Grant admin consent for the updated application scopes
